

CONEXPO-CON/AGG Education

Professional Development Hours (PDHs) Offered:

Earn as you learn! PDHs are offered with the CONEXPO-CON/AGG Education Program to help assist you in meeting educational requirements necessary for job mandates.

Certifications

Certified Equipment Manager (CEM) Exam

Presented by the Association of Equipment Management Professionals (AEMP)

Tuesday, March 7, 2017

8:00 am – 12:00 Noon

The Certified Equipment Manager (CEM) designation is the premiere professional credential for managers of off-road heavy equipment fleets or managers of municipal/government fleets. Equipment managers with five years or more of experience who meet the CEM prerequisites may apply by completing the CEM application, available via the AEMP website. To determine if you are qualified go to <http://www.aemp.org/>. **Applications must be submitted no later than February 10, 2017.**

The CEM credential demonstrates your mastery of 17 equipment manager competencies: Financial Management, Risk Management, Safety, Benchmarking, Employee Training, Environmental Best Practices, Human Resource Management, Lifecycle Cost Analysis, Negotiations, Outsourcing, Parts/Inventory Management, Preventive Maintenance, Shop/Facilities Management, Specifications, Technology, and Warranty and Performance Guarantees, and Customer Service.

Cost: Exam: AEMP Members, \$550; Non-members, \$650 (Prices include non-refundable \$50 application fee and 1 CEM exam attempt).

Need Help Lighting the Match? Attend **AEMPU IGNITE!**

The AEMP University's IGNITE program is a two-day, 16 hour interactive learning lab designed to advance your career in equipment management. Led by industry expert Jim Schug of FMI, it is particularly helpful if you are seeking to increase your knowledge in preparation of earning the CEM or CESP credential. Immerse yourself in the first-hand experiences of leading experts as you network with your peers and gain valuable industry insight.

Date: March 5-6, 8 AM to 5 PM each day

Location: Tuscan Suites & Casino in conjunction with AEMP's 35th Annual Management Conference

To aid you in your preparations, course materials include:

- ✓ AEMP's *Career Equipment Fleet Manager*
- ✓ Online study course
- ✓ Interactive exercises and discussions that encourage peer-to-peer learning beyond a typical classroom experience.*

*It is recommended you begin preparing at least eight weeks in advance.

Tuition: AEMP Members \$1445; Non-AEMP members \$1745

To Register For **IGNITE!** Go to www.aemp.org. You must register by March 1, 2017 to avoid additional fees.

Questions? Contact Sharon Young at Sharon@aemp.org or call (970) 928-3405 for additional information.

CCO Certified Crane Operator – Written Exams

Presented by: National Commission for the Certification of Crane Operators (NCCCO)

Dates: Tuesday, March 7, 2017 and Friday, March 10, 2017

Times: 8:00am – 4:00pm

The National Commission for the Certification of Crane Operators (NCCCO) is the industry leader in certifications for all those who work in and around cranes. Over its 20 year history, NCCCO has developed a comprehensive range of nationally recognized programs that have been consistently acclaimed for their quality and rigor. All CCO certification programs are ANSI/ISO 17024 accredited and compliant with OSHA's crane rule requiring certification of crane operators by November 2017 (OSHA Subpart CC). NCCCO is making available both the written and practical exams through CONEXPO/CON-AGG 2017.

Written Exams Offered

- Mobile Crane Operator (Lattice Boom Crawler, Lattice Boom Truck, Telescopic Boom—Swing Cab, Telescopic Boom—Fixed Cab, Boom Truck—Fixed Cab)
- Tower Crane Operator
- Overhead Crane Operator
- Articulating Crane Operator (Articulating Boom Crane, Articulating Boom Loader, Articulating Boom Crane w/Winch)
- Service Truck Crane Operator
- Digger Derrick Operator
- Dedicated Pile Driving Rig Operator

Cost: \$165 (additional fees for taking multiple exams; see NCCCO website for more details)

Deadline to Pre-Register for Exams: February 28, 2017. Registrations will be taken on-site as space permits.

For more information, contact:

Kim Qualls, NCCCO

Tel: +1 727-449-8525 ext. 487. Email: kqualls@nccco.org
