

OFFICIAL CONTRACTORS

CONEXPO-CON/AGG 2011 and IFPE 2011 Show Management have negotiated agreements with a select group of companies who are responsible for providing services needed for installation, day-to-day operations and dismantling of exhibits. Order forms and descriptions of their services and rates can be found in the appropriate tab sections.

GENERAL CONTRACTOR

GES is the CONEXPO-CON/AGG 2011 and IFPE 2011 Official General Contractor responsible for drayage, decorations, exhibit stand furnishings, signage, carpet cleaning, electrical service, plumbing and labor.

- Drayage is the moving of freight to, on and from all exhibit areas.
- Decoration is the installation, furnishing and dismantling of an exhibit.
- Labor for drayage and decoration, as well as for special cleaning, (drayage and daily general cleaning is included in the package plan) must be arranged through GES.

Show Management recommends that each exhibitor obtain a pro-forma invoice for all services supplied by GES before leaving the exhibit hall. Any questions or problems regarding service bills and charges should be brought to the attention of Show Management immediately.

ADDITIONAL OFFICIAL CONTRACTORS

In addition to the General Contractor, other suppliers have been assigned the responsibility for the following services:
