

VISITOR VISA INFORMATION FOR INTERNATIONAL EXHIBITORS, DEALERS AND CUSTOMERS

ACT EARLY TO SECURE YOUR U.S. VISITOR VISA

Due to security concerns, U.S. visa applications are still subject to a greater degree of scrutiny than in the past. International exhibitors, dealers and their customers requiring a visa to enter the United States to attend CONEXPO-CON/AGG and IFPE 2011 should contact the U.S. Embassy nearest them.

It is recommended that the visa application process be initiated well in advance of the planned travel date and no later than three months prior to the show (December 2010). For more information or to request an official letter of invitation from Show Management, please visit our websites at www.conexpoconagg.com or www.ifpe.com and click on "Exhibitors" and then "Visa Information". This section provides detailed visa information, a list of U.S. Embassies and Consulates worldwide and a guideline for approximate visa wait times for interview appointments.

SHOW MANAGEMENT PROVIDES OFFICIAL LETTERS OF INVITATION UPON REQUEST

International exhibitors, dealers and customers requiring an official letter of invitation from Show Management in support of their visa application may request their personalized invitation online starting May 2010.

Please submit your request as soon as possible. Official letters of invitation cannot be provided after February 8, 2011.

INTERNATIONAL MEDIA PLEASE NOTE:

The U.S. government has special visa application rules for international journalists. Journalists previously exempt from the need to obtain a visa may now be required to do so. Please visit our websites www.conexpoconagg.com or www.ifpe.com and click on "Media Services" for further information.
