change their scheduled installation date must submit their request in writing to the Official General Contractor's Freight Department. Additional information will be provided in the Exhibitor Services Manual, which will be available in 2025.

CLEAN FLOOR POLICY

A clean floor policy will be implemented for CONEXPO-CON/AGG 2026. All crates must be labeled and ready for pickup by 5:00 p.m. Sunday, March 1, in all halls and lots. Crates not labeled and ready for pickup will be removed regardless of status. Labor and equipment charges will apply if this policy is not met.

All cardboard, fiber cases and access storage items must be labeled and ready for pickup by 1:00 p.m. Sunday, March 1, in all halls and lots. All aisles must be 100% clean of product, ladders, gang boxes and any other items that may impede the final aisle cleanup and installation of aisle carpet by 5:00 p.m. Monday, March 2.

EXHIBITOR DATA

To provide the services to you in accordance with these terms, CONEXPO-CON/AGG is authorized to use the personal data you provide to us for your employees, workers, and other agents in accordance with our privacy and cookies policy.

CONEXPO-CON/AGG takes its data privacy responsibility seriously and you authorize us to use and process personal data in accordance with our Privacy Policy from time to time.

You must: (i) provide us with accurate contact details for your employees, workers and other agents; (ii) keep us informed of any updates that need to be made to such contact details; and (iii) notify the relevant employees, workers and other agents that we will process their personal data in order to fulfill our contractual obligations with you and advise them of our privacy policy. Exhibitor grants CONEXPO-CON/AGG access to all data (service, quantity, spend, etc.) for exhibitor's purchase of services from the show service providers for the confidential internal use by AEM and its consultants in analyzing and evaluating show services. Exhibitor authorizes show service providers to give access to exhibitor's data for use as stated above.

FAILURE TO HOLD THE EXHIBITION

Should the Exhibition fail to be held for any reason, Show Management will return an equitable portion of the space payment. If the Exhibition is required to be moved or postponed, no refunds will be made.

EXHIBITOR REPRESENTATIVE

Each exhibitor will be required to appoint at least one person authorized to represent the company in all dealings with Show Management. Each exhibitor will provide the name of its official CONEXPO-CON/AGG 2026 representative at the time it submits its space application. This representative shall be authorized to enter into such service contracts as may be necessary and for which the exhibitor shall be responsible. It is the responsibility of the exhibitor to notify Show Management with the name of another representative in case the primary representative is unavailable.

EXHIBITOR SERVICES MANUAL

The CONEXPO-CON/AGG 2026 Exhibitor Services Manual will be available online for exhibitors and EACs in 2025. The manual will contain all information and forms for installation and services as well as registration, hotel reservations and official function schedules.

EDUCATION PROGRAMS

Show Management plans to conduct education programs for visitors in conjunction with CONEXPO-CON/AGG 2026. Exhibitors are able to attend these programs but must pay all educational fees.

ELIGIBILITY & EXHIBIT SPACE

ELIGIBILITY

Exhibitors must manufacture equipment, components, parts or accessories, or provide services related to the construction and construction materials industries. Specific guidelines have been set for distributors, rental houses, product support providers and auction houses. These guidelines are as follows:

DISTRIBUTORS, RENTAL HOUSES & PRODUCT SUPPORT PROVIDERS

Distributors, rental houses, product support providers can display their companies' services; however, product cannot be

displayed. Master distributors can display product if they are the sole U.S. distributor to a non-U.S. manufacturer. **If the non-U.S. manufacturer is exhibiting, the sole U.S. distributor may display the equipment with the permission of the manufacturer.**

AUCTION HOUSES

Auction houses cannot display new or used equipment in the company’s exhibit space. Auction houses can display or showcase their services: (i) by showing footage from an auction that has already taken place; or (ii) by conducting an online only auction from their exhibit space on the Friday and/or Saturday of the Official Show Days. The broadcast of live auctions with in-person customer attendance from an offsite location are not allowed on the Exhibition floor. Auction houses may supply auction services to charitable auctions conducted only by Show Management at the Exhibition.

EXHIBIT SPACE COST & PAYMENT SCHEDULE

COST OF EXHIBIT SPACE

The cost of exhibit space is based on the desired amount of square footage multiplied by the appropriate rate. The square footage rate is based on the applicant’s membership affiliation and time in which they submit their application. The variation in the association member square footage rates is to offset the difference in membership dues. The square footage rates are devised to balance out what different members spend. Applicants who are members of more than one organization should select the rate that best suits them. The rate structure is as follows:

Rate Type	Time Period
Priority	September 3, 2024 to October 4, 2024
Standard	October 5, 2024 to March 7, 2026

	Indoor (400sf or less)	Indoor (401sf or more)	Outdoor
AEM Member – Priority	\$27.15	\$24.50	\$18.15
AEM Member – Standard	\$26.25	\$23.60	\$17.45
NRMCA or NSSGA Member - Priority	\$32.95	\$30.25	\$23.85
NRMCA or NSSGA Member – Standard	\$32.05	\$29.35	\$23.15
NFPA Member – Priority	\$38.70	\$36.05	-
NFPA Member – Standard	\$37.85	\$35.15	-
Non-Member – Priority	\$45.85	\$42.70	\$36.50
Non-Member – Standard	\$44.50	\$41.85	\$35.60

****AEM members receive a member discount as a benefit. This discount is capped at \$10 per square foot of exhibit space for every \$1 paid in dues over the three-year show cycle. (Dues will be based on the last three years paid.) Exhibitors will pay the non-member rate for space exceeding the cap.***

PAYMENT FOR EXHIBIT SPACE

Checks for exhibit space must be made payable to AEM Tradeshows, and must be in U.S. funds or a draft drawn from a U.S. bank. Credit card payments are accepted for exhibit space. The following payment schedule must be followed:

- An initial deposit of **50%** of the total exhibit space cost is due with application. This is nonrefundable. Applications are not valid without the required deposit.
- The second **50%** payment must be postmarked on or before July 31, 2025.
- Applications received on or after July 31, 2025, must be accompanied by 100% payment for the exhibit space.
- No exhibitors will be permitted to move into their designated space until the exhibit space is paid in full.
- If a space is not paid in full by July 31, 2025, Show Management reserves the right to cancel the space.

In the case of mergers and acquisitions, the payment schedule applies to each space purchased.

EXHIBITOR PACKAGE PLAN

The cost of exhibit space includes the Exhibitor Material Handling Package Plan. These services reduce the cost to exhibit and add value to each exhibitor's investment:

- Check-in and access to the Marshaling yard
- Advance Warehouse Services to include receipt of materials at the advance warehouse, storage for up to 60 days prior to the show and delivery of materials to the exhibitors' booth prior to approved target date.
- Unloading and reloading of all shipments whether from Advanced Warehouse or Direct to Show-site *without any additional fees for overtime or special handling. Trucks must arrive by 3PM either at Marshaling Yard or Show-site to be unloaded without additional fees.*
- Cart service for personally owned vehicles during specified days/times
- Small package service (<200lbs) with no overtime or off-target fees
- Delivery of machinery and crates to exhibit space(s) from the marshaling area(s) and pick-up of the same machinery and crates at the close of the Exhibition.
- Removal of all cleating and blocking on inbound shipments, including materials where required.
- Handling of inbound and outbound shipments of exhibit materials to the LVCC, Parking Lots, or any other grounds or exhibit areas used for the Exhibition.
- Spotting crew for mobile/rolling equipment. Planking requirements vary based on type and weight of equipment. Additional charges may apply.
- Spotting of exhibitor's machinery or products for the initial installation only, as the equipment is delivered to the exhibitor's space (provided an exhibitor's representative is present during the initial placement).
- Exhibit crate removal, storage and return of the crates at the close of the Exhibition.
- Trash removal during dismantling period.
- Daily vacuuming/sweeping the carpet/floor and emptying wastebaskets before the opening of each Exhibition day.
- Standard/inline, exhibits will be furnished with 8-foot-high drape background and 3-foot high drape partitions. Corner/peninsula will be furnished with 8-foot-high back drape (not 3-foot high drape partition).
- Music licensing from ASCAP and BMI (you can plan any music in booth without worry) – a \$10,000 value!
- Certificate of insurance (COI) -Included with a nominal fee for appropriate coverage
- Standard company listing in online exhibitor directory

Not included in your exhibit space:

- *Furnishings and carpet*
- *Lead retrieval*
- *Electrical or other utilities*
- *Freight to and from your location*
- *Catering*
- *Internet services*
- *Registration Badges*

MEMBERSHIP INFORMATION

In order to be eligible for member prices (see application or "Exhibit Space Cost and Payment Schedule") applicants must adhere to the guidelines listed below.

Exhibitors that in subsequent years fail to adhere to the membership guidelines for any of the following organizations will be invoiced at the adjusted non-member amount.

Exhibitors that are members of more than one of the following organizations should select the exhibit space rate that is most beneficial to them.

AEM MEMBERS

- Companies that exhibited in CONEXPO-CON/AGG 2023 as AEM members must be current with their membership dues for 2024, 2025 and 2026.
- Companies joining AEM after CONEXPO-CON/AGG 2023 must have at least three years of membership dues paid in full prior to the 2026 Exhibition.
- Companies that join AEM after 2023 will be credited for future dues. Dues payments made for future years of membership are to be based on the company's last full year of sales of eligible products or services. Dues prepaid for future years to

qualify a company for CONEXPO-CON/AGG 2026 participation are nonrefundable. Examples:

- A company joining AEM in 2024 can receive the AEM member discounts at CONEXPO-CON/AGG 2026 by paying dues for the entirety of 2024, 2025 and 2026, payable in full with the application.
- A company joining AEM in 2025 can receive the AEM member discounts at CONEXPO-CON/AGG 2026 by paying dues for 2025, 2026 and 2027, payable in full with the application.
- In order to receive the member discount, the deadline for a new AEM member application is November 30, 2025, with payment for three years of membership. Members may still join after this date but will not receive the member discount.
- ONLY EQUIPMENT WHOSE SALE IS UTILIZED AS PART OF THE TOTAL SALES VOLUME THAT DETERMINES THE AEM MEMBER'S DUES CATEGORY MAY BE EXHIBITED using the space rate for members. A member exhibiting qualifying products that are not used to determine the member's dues category may exhibit on a proportionate basis at the non-member space rate; if such products occupy 50% or more of the exhibit space, the non-member space rate will be charged for the entire exhibit space. Qualifying products or services include:
 1. Machines designed primarily for construction use, or of a type commonly used in the construction industry but modified or equipped with special attachments to adapt them to non-construction markets, such as forestry, mining, agriculture, etc.
 2. Components, attachments, accessories and parts sold for use in or with the above machines either at the original equipment manufacturer (OEM) or aftermarket levels
 3. Publications dealing with the construction industry
 4. Services such as finance, management, consulting, etc., supplied to the construction industry
- For membership information, please contact AEM 414-272-0943.

NRMCA MEMBERS

- NRMCA associate members must be current in their membership for 2026 and must have been members in good standing for 2024 and 2025.
- Exhibition applicants must be current in their membership prior to the assignment of space.
- Companies that were not associate members prior to 2026 can qualify for member rates by paying dues for prior years. (Example: A company joining NRMCA in January 2024 can participate in CONEXPO-CON/AGG 2026 by paying dues for 2024 and maintaining membership throughout the Exhibition cycle [2025 and 2026]).
- Companies joining NRMCA in or after 2024 that did not begin operation or were ineligible for membership until after that date are required to pay dues only from the starting date of operation or the date the company became eligible for membership.
- Minimum associate member dues are currently \$1,250 to \$7,500 per year. For membership information, please contact Amanda Muller, Senior Director, Membership Engagement at NRMCA (email: amuller@nrmca.org or by phone: 703-706-4838).

NSSGA MEMBERS

- Companies joining NSSGA after CONEXPO-CON/AGG 2023 must have at least three years of membership dues paid in full prior to the Exhibition.
- Dues payments made for future years of membership are to be based on the company's last full year of sales of eligible products or services.
- For membership information, please contact Jason Epstein, Director of Membership at NSSGA (email: jepstein@nssga.org or 703-307-6047).

INTERNATIONAL PAVILIONS

Show Management may make international pavilion exhibit space available to a non-U.S. construction industry manufacturer trade organization for resale to the organization's members. The organization and each of its exhibitors in an international pavilion will be subject to Exhibition Rules & Regulations and the guidelines for International Pavilion Organizers, including eligibility requirements and exhibiting only qualifying products. Show Management may limit the overall size of an International Pavilion and the size of any exhibit space within an International Pavilion.

SPACE REDUCTION POLICY

- Any company decreasing by July 31, 2025, must pay the 50% deposit of the original space, regardless of the new space cost. Overpayments beyond the 50% will be refunded if the reductions occurs on or before July 31, 2025.
- Any company reducing its space on or after August 1, 2025, but before September 30, 2025 must pay at least 75% of the original space cost. Payments above the 75% level will be refunded.

- Any company reducing its space on or after October 1, 2025 will receive no refund.
- **If a company reserves more than one space and reduces to fewer, deposits applied to the spaces canceled will be retained.**
- **Exception: In the case of a merger or acquisition between two exhibitors after space is assigned and the new combined company has more than one space reserved, the deposits will be applied to the combined spaces.**

Example: If Pepsi initially puts in applications for three spaces for three of their brands – one booth for Mountain Dew, one for Pepsi and a third for Gatorade and decide to reduce to just one booth for all three brands combined under the Pepsi space, the deposits for the booths for Mountain Dew and Gatorade will be retained by Show Management.

Example: If Pepsi and Coke each have reserved separate booths and Pepsi is acquired by Coke in 2025 and the new combined company decides to have one larger space for Coke and Pepsi together, the deposit on the two spaces will be combined and applied to the new large space for both companies merged.

CANCELLATION POLICY

Any notice of cancellation of exhibit space by an exhibitor must be made in writing to Show Management. This cancellation policy does not depend upon whether the exhibit space is resold or reassigned.

- At no time will the deposit of 50% be refunded
- Any company cancelling before July 31, 2025 will lose the initial 50% deposit. The remaining balance will be refunded.
- Any company that is paid in full and cancelling on or after August 1, 2025, but before September 30, 2025, will lose the 50% deposit. 25% will be refunded.
- Any company cancelling on or after October 1, 2025 will receive no refund.

	September 3, 2024 – July 31, 2025	August 1, 2025 – September 30, 2025	October 1, 2025 – March 7, 2026
50% deposit	No refund	No refund	No refund
100% payment	50% refund	25% refund	No refund

NATURE OF SPACE ASSIGNMENT

The assignment of exhibit space is not a property lease. It is a license to use the space in a manner consistent with the Rules & Regulations, and subject to terms between LVCVA and Festival Grounds and Show Management for CONEXPO-CON/AGG 2026.

ASSIGNMENT OF EXHIBIT SPACE & PRIORITY FORMULA

PRIORITY FORMULA

The priority formula is used in several matters, including the assignment of exhibit space. It is as follows:

$$\begin{array}{c} \text{Years of Membership} \\ \times 10 \end{array} + \frac{\text{Total SF in 2023}}{100} = \text{PRIORITY NUMBER}$$

DEFINITION OF MEMBERSHIP NUMBER — Show Management chooses the company/division with the greatest number of membership years in AEM, NRMCA or NSSGA. An exhibitor must be a current member in good standing of AEM, NRMCA or NSSGA to have its years of membership used in calculating the membership number.

DEFINITION OF PAST PARTICIPATION NUMBER — Show Management uses the total square footage purchased by an exhibitor for CONEXPO-CON/AGG 2023. The total square footage cannot exceed the CONEXPO-CON/AGG 2023 maximum space sizes (40,000 square feet indoor, 70,000 square feet outdoor or 80,000 square feet combined). If a company acquired another company(ies), the parent company can use the newly acquired company(ies) but cannot exceed the maximum space sizes set from CONEXPO-CON/AGG 2023. If a parent company sells a company(ies), both companies must agree on how their 2023 total square footage will be divided among the now separate companies.

EXHIBIT SPACE ASSIGNMENT PROCESS

Exhibitors that submit applications and deposits prior to **October 4, 2024** will be a part of the Priority Assignment Process. The first assignments of exhibit space priority will be based on the above-mentioned priority formula and the designated

product concentration areas.

All CONEXPO-CON/AGG 2026 exhibitors who submit applications and deposits prior to **October 4, 2024**, will be a part of the Priority Assignment Process. The process is as follows:

- Exhibitors requesting **outdoor space** that have (1) submitted their applications and 50% deposits by October 4, 2024, **AND** (2) have 50 priority points or more will be assigned a date/time to select their space location within their product group.
- Exhibitors requesting **indoor space with 400 square feet or larger** have (1) submitted their applications and 50% deposits by October 4, 2024, **AND** (2) have 50 priority points or more will be assigned a date/time to select their space location within their product group.
- **Indoor exhibitors requesting less than 400 square** feet that have submitted their applications and 50% deposits by October 4, 2024, will be assigned space based on their priority number.

Those that qualify will receive an appointment time to select their space in the winter of 2024/25. Exhibitors with less than 50 priority points and 400 square feet will be assigned in priority order by designed product concentration area by Show Management. Applications received after October 4, 2024, will be assigned on a first-come, first-served basis by Show Management.

No applicant will be allowed to select an exhibit space unless the application is signed, and payment has been received based on the following schedule:

- 50% deposit is required. For applications received prior to October 4, 2024, the 50% deposit is due October 4, 2024.
- Applications received on or after October 5, 2024, must be accompanied by a non-refundable deposit of 50% of the total cost of the exhibit space.
- Applications received on or after July 31, 2025, must be accompanied by full payment of exhibit space.

Show Management will attempt to accommodate space requests and space dimensions. Show Management reserves the right to reassign exhibitors during show planning. If all available space has been assigned, a waiting list will be kept. If an opening becomes available, exhibit space will be assigned on the basis of the date the application was received.

International Pavilions assignment process highlighted in the International Pavilion Regulations.

EXHIBIT SPACE SIZES

Space requests need to be made in 10-foot increments with a minimum requirement of 100 square feet (example: 10x10; 10x20, etc.). **Outdoor exhibit space requests have a minimum of 400 square feet.**

The maximum space sizes are set in order to create a floor plan that will adhere to fire and safety regulations for the city of Las Vegas, the LVCC and the Las Vegas Festival Grounds. The maximum space sizes are set to include the parent company and all of its divisions and subsidiaries. Companies and their divisions/subsidiaries applying for multiple exhibit spaces may not exceed the maximum limits of 40,000 indoor, 70,000 outdoor or 80,000 combined, as set by the Event Services Committee and the Management Committee, for their space totals.

A space size reduction shall not be required for an exhibitor who acquires another exhibiting company within one year (March 7, 2025) prior to the opening of CONEXPO-CON/AGG 2026 (March 7, 2026), even if the combined space size of the exhibitor and the acquired exhibitor exceeds the maximum space sizes stated above.

REMANUFACTURED & USED EQUIPMENT

Used equipment is not permitted to exhibit in an attempt for resale by any exhibitor, including the original equipment manufacturer (OEM). The only exception to this rule is if the OEM displays used equipment for an historical theme or background. Remanufactured equipment and components are permitted in the OEM's exhibit space, only if the OEM offers remanufacturing as a service.

SUBLEASING OF EXHIBIT SPACE

The exhibitor agrees not to reassign, grant, sublease, rent, or license the use of space allotted to them. Exhibit space is for the sole use of the company who submits the application and is approved as an eligible exhibitor.

For demonstration purposes, if there is a need for the exhibitor to utilize any equipment, components, or attachments of another manufacturer, that manufacturer must provide permission for product to be displayed and also be a current exhibitor.

ADDITIONAL LISTING FEE

One exhibiting company name listing is included in the exhibit space costs. Additional listings are for additional brand names, subsidiaries, or divisions within the exhibitor's parent company. A fee of \$500 will be applied for each additional listing.

EXHIBITS

Exhibits are permitted only in the official exhibit areas of CONEXPO-CON/AGG 2026.

NO HOTEL EXHIBITS

The Las Vegas hotels have entered into signed agreements with Show Management not to rent or assign any public space or sleeping rooms for exhibit purposes at any time during the official Exhibition days and installation and dismantle days of CONEXPO-CON/AGG 2026 nor permit the use of any public space or sleeping rooms for entertainment purposes or press conferences during exhibition hours.

NO OTHER EXHIBITS

CONEXPO-CON/AGG exhibitors will not exhibit or participate in any exhibit within 100 miles of Las Vegas during the period of the Exhibition (March 3-7, 2026). CONEXPO-CON/AGG exhibitors will not conduct auctions or sales events within 100 miles of Las Vegas during Exhibition hours.

STORAGE AND PACKING MATERIALS

The storage of packing boxes, crates, etc. for the duration of the Exhibition is included in the exhibit space rates. Proper identification tags will be available at the Contractor Service Desks. Two of these tags must be attached to each piece to be placed in storage. All flammable packing materials such as paper and straw must be totally enclosed in containers. Materials not complying with these requirements will be considered refuse and disposed of by the cleaners.

WORK RULES & EXHIBITOR APPOINTED CONTRACTORS

EXHIBITOR APPOINTED CONTRACTORS

An Exhibitor Appointed Contractor (EAC) is any company other than the designated official contractors that provides services such as display installation and dismantling, models, florists, photographers, audio visual firms, etc. and needs access to an exhibitor's space any time during installation, Exhibition dates or dismantling.

RULES & REGULATIONS

If the exhibitor wishes to use an EAC, the following Rules & Regulations must be adhered to by the exhibitor and the EAC. These rules will be strictly enforced. The exhibitor must complete the Exhibitor Appointed Contractor form in the Exhibitor Services Manual. The exhibitor also must indicate whether this contractor is authorized to order Exhibition services on the exhibitor's behalf.

1. The EAC must complete the agreement between AEM and for all EACs working on the exhibitor behalf **no later than January 16, 2026**. EAC must complete the EAC registration process via the online EAC portal. This form can be found in the Exhibitor Services Manual and need to be submitted to conexpoconagg2026@EACmgmt.com
2. The EAC shall refrain from placing an undue burden on the Official Contractors by interfering, in any way, with the official contractor's work.
3. The EAC will not solicit business on the Exhibition floor during any of the overall days of the Exhibition, including installation, Exhibition dates and dismantling.
4. The EAC is responsible for adhering to all Rules & Regulations requiring badging.
5. If the EAC, in any way, disrupts the orderly conduct of business by any of the official contractors, or impairs the smooth installation and dismantling of the Exhibition, the EAC will immediately cease such disruption or be removed from the

Exhibition site. Show Management will have the final decision in such instances.

6. EACs that provide installation and dismantling services will be sent the proper information from the Exhibitor Services Manual upon receipt of request by the authorizing exhibitor.

In performing work for their clients, the EAC shall cooperate fully with the Official Contractors and shall comply with existing labor regulations or contracts as determined by the commitments made and obligations assumed by Show Management in any contracts with the Official Contractors. Failure to comply with these regulations will result in refusal or loss of authorization to perform services and immediate removal from the Exhibition site.

Information on registering Exhibitor Appointed Contractors will be available in the Exhibitor Services Manual.

PROCESS FOR EACs

EACs will NOT be allowed on the show floor unless all the requirements are satisfied:

- EAC must complete all required documentation via the online EAC portal.
- EAC must submit a valid Certificate of Insurance (COI) with the required coverage via the online EAC portal.
- EAC must agree to the Rules & Regulations outlined on the CONEXPO-CON/AGG website.
- EAC must pay an administrative fee that is required for each exhibitor they are representing; payment will be submitted via the online EAC portal.
- EACs must abide by existing labor regulations and/or contracts and all Federal/State/City laws and regulations as well as those established by the event venue and Show.

INSURANCE REQUIREMENTS FOR EACs

EACs must provide Show Management with a Certificate of Insurance for workers' compensation and employers' liability, comprehensive general liability and automobile liability insurance. The policy must provide the minimum limits listed below:

1. The workers' compensation and employers' liability insurance must provide a minimum limit of \$1,000,000 and meet the requirements established by the state of Nevada.
2. Comprehensive general liability coverage must provide at least \$1 million/\$2 million in coverage.
3. Automobile liability shall include all owned, non-owned and hired vehicles with limits of \$1,000,000 bodily injury and \$1,000,000 property damage liability.
4. The EAC should name Show Management, the Exhibition Sponsors, and the Official Contractor as additional insureds.

The EAC must submit their Certificate of Insurance to conexpoconagg2026@EACmgmt.com or upload online in the portal **no later than January 16, 2026.**

SERVICES EACs CAN PROVIDE

EACs services will be limited to the installation, dismantling and preparation of display materials only. Labor and/or services for the installation and dismantling of products to be displayed by exhibitors must be contracted from the Official Contractor designated by Show Management for that service. EACs must submit a Certificate of Insurance to Show Management or upload in the EAC portal no later than **January 16, 2026.**

The Official Contractor will handle the use of power washers to clean equipment. The use of power sprayers or spray paint to touch up equipment and tires will be allowed only in designated areas in the marshaling and assembly areas. Exhibitors and their employees can hand wipe, buff or touch up paint (with brushes) on their own equipment and display pieces within the exhibitor's assigned exhibit space; EACs are not permitted to perform these services.

The LVCVA requires EACs to abide by certain guidelines and regulations. These regulations are detailed as an attachment to the Exhibition Rules & Regulations.

WORK RULES: EXHIBIT INSTALLATION, OPERATION & DISMANTLING

All work involved in the installation and dismantling of exhibits or the movement of freight in the LVCC and at the LVFG is under the Official Contractor's jurisdiction. Exhibitors are expected to comply with the Official Contractor's union requirements in effect at the LVCC and LVFG.

In the interest of the exhibitors, Show Management has selected certain firms as Official Contractors for such services as cartage and handling of exhibit shipments; rental of furniture and other exhibit space equipment; decorations, signs, flowers, etc. All service contractors selected by Show Management employ appropriate union personnel. Exhibitors must use the Official

Contractor for drayage and rigging, hanging truss, electrical, plumbing, custom cleaning (please refer to the Exhibitor Appointed Contractors section for details) and food service.

For other services, exhibitors desiring to use contractors other than those officially appointed by Show Management should refer to the Exhibitor Appointed Contractors section.

GRATUITIES TO EXHIBIT LABOR

Show Management and Exhibition contractors have established a strict "no tipping" rule. Exhibitors must observe this rule during the entire period of the installation, show and dismantling periods. It is prohibited to give any amount of gratuity, tips or gifts of any kind to workers, foremen or anyone else connected with the hauling of equipment or setting up or removal of the exhibit. Any infractions should be reported to Show Management or a floor manager immediately. The Official Contractor has agreed to refuse acceptance of any timecard to which a tip has been added. There will be no gratuities included on any drayage invoices.

Any exhibitor who pays gratuities to laborers is acting not only against their own interest, but against the interest of the Exhibition. Any exhibitor who is solicited for a gratuity should report such solicitation immediately either to Show Management or to an official with the Services Contractor.

BUILDING & OPERATING YOUR STAND – ALL EXHIBITS

STAFFING EXHIBIT DURING EXHIBITION DAYS

Exhibitors are required to staff their exhibition with a reasonable number of exhibitor personnel present in the exhibit stand at all times during the Exhibition dates and hours.

AMERICANS WITH DISABILITIES ACT (ADA)

All exhibiting companies are required to follow the Americans with Disabilities Act (ADA) and are encouraged to be sensitive, and as reasonably accommodating as possible, to attendees with disabilities. Information regarding ADA compliance is available from the U.S. Department of Justice.

Under ADA's regulations, the definition of "service animal" is limited to a dog or miniature horse that is individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person's disability. Under the ADA, "comfort," "therapy" or "emotional support" animals do not qualify as service animals.

ANIMALS

SERVICES ANIMALS

Service animals are always welcome. Refer to the American Disabilities Act (ADA) for the definition of a service animal.

ANIMALS IN EXHIBIT SPACES

Animals, with the exception of fish, are not allowed in the LVCC overnight. Permission for any animal to appear at the show or booth must be approved by Show Management and the LVCC and/or Las Vegas Festival Grounds (whichever applies to location of exhibit space). The animal must be pertinent to the booth or exhibiting company. A separate certificate of insurance (COI) must be submitted in the amount of \$1 million combined single limit bodily injury and broad form property damage coverage, including broad form contractual liability, naming Exhibition Sponsors, Show Management and the Las Vegas Convention Center or Las Vegas Festival Grounds as additional insured. Please submit a request for approval by October 17, 2025 with appropriate COI to Show Management Operations at Operations@conexpoconagg.com and if space is located at the LVCC, send to boothplans@lvcva.com. If exhibit space is located at the Las Vegas Festival Grounds, submit a request for approval by October 17, 2025 with appropriate COI to Show Management Operations at Operations@conexpoconagg.com.

DEFACING OF BUILDING OR EXHIBIT FACILITIES

Each exhibitor is liable for any defacing or damage from their own acts to the exhibit building or exhibit facilities. Painting of the floor in exhibit spaces will not be permitted, and no floor coverings may be attached or adhered (except carpet tape) in any manner whatsoever without the written consent of the LVCVA. Show Management will charge exhibitors for any damage.

The portion of the columns or obstruction that are entirely within the limits of an exhibit space may be covered by the exhibitor but must meet the height guidelines stated within these rules. All column covers must meet with the approval of the Safety

DRONE POLICY

Unmanned Aerial Systems includes all the following: UAV – Unmanned Aerial Vehicle, RPAS – Remotely, Piloted Aircraft System, RC Model Aircraft Drone.

DURING EXHIBIT HOURS

Unmanned Aerial Systems (UASs) are allowed to be used indoor or outdoor at the LVCC or Las Vegas Festival Grounds within an exhibit space during show hours with the following requirements:

- Exhibitor **MUST** submit safety plans and evidence of adequate insurance for the operation of the UAS and receive permission from Show Management prior to installation. Please submit safety plan and time of flight to Operations@conexpoconagg.com and boothplans@lvcva.com (to LVCVA only if exhibit is located at the LVCC) by November 3, 2025.
- Drones/UASs carrying weapons are prohibited.
- Drones/UASs must weigh less than 55 pounds.
- Drones/UASs are restricted to within your defined booth space only.
- Drones/UASs must be flown in a fully enclosed area/cage (including ceiling) using netting, plastic, or other safety measures. Tethering is not an approved safety measure. Netting should be of a flame-retardant material and must be sturdy enough to prevent the UAS from breaking or escaping the enclosure.
- No attendees will be allowed within the enclosed area.

DURING NON-SHOW HOURS

Drones can be flown outdoors, before or after show hours with Show Management and LVCC or LVFG approval, in addition to FAA approval.

- Exhibitor **MUST** submit safety plan and receive permission from Show Management prior to installation. Please submit safety plan and time of flight to Operations@conexpoconagg.com and boothplans@lvcva.com (to LVCVA only if exhibit is located at the LVCC) by November 3, 2025.
- Obtain FAA request form at [FAADroneZone Access - Home](#). FAA approval notice should be sent to the Official Service Contractor. The FAA request requires a safety plan, detailing the precautions to follow the above regulations, time and location the drone will be flown and details on the operator.
- Drones flown indoors during non-show hours need to adhere to the during exhibit hour regulations listed above under during exhibit areas.

EQUIPMENT SALES, SOLD SIGNS & CUSTOMER NAMES

An exhibitor may receive orders for or sell its equipment during the Show and shall be responsible for collecting and paying any applicable local, state, and federal taxes, and obtain any necessary licenses needed to sell merchandise.

“SOLD” signs, “FOR SALE” signs or signs listing the price are allowed within the below guidelines. Financing information, rental rates or lease rates can also be displayed within the below guidelines. Permanently affixed customer names may be included on products but are limited to eligible products and cannot be included on any signs or literature.

For Sale/Sold/Price Display Guidelines:

- For Sale/Sold/Price signs displayed indoors must be within the height limits of the exhibitor’s stand type (i.e., if an inline 100 sf space, signage must be within 10 feet). For Sale/Sold/Price signs displayed outdoors must be within 50 feet of the ground.
- To use the CONEXPO-CON/AGG logo on a For Sale/Sold/Price display sign, the exhibitor must correctly use the logo per show guidelines on the show website.
- For Sale/Sold/Price display signs must be professionally designed, printed and displayed, (not handwritten) and on at least 110 lb. cover weight paper. Professionally produced clings, and magnets, and decals are allowed.
- For Sale/Sold/Price display signs shall be of appropriate size, based on equipment dimensions:
 - Work tools (less than 2 feet in height)- For Sale/Sold/Price display sign shall not exceed 8 ½ in. x 11 in.
 - Small to medium-sized equipment (2-10 feet in height) – For Sale/Sold/Price display sign shall not exceed 16 in. x 20 in.

- Large equipment (over 10 feet in height) – For Sale/Sold/Price display sign shall not exceed 24 in. x 36 in.
- All signage shall be company or show branded.
- Show Management reserves the right to remove any sign that doesn't follow the above guidelines or is deemed objectionable in the sole discretion of Show Management.

EXHIBIT DESIGN & USE OF EXHIBIT SPACE

These Rules & Regulations are designed to allow each exhibitor the opportunity to maximize the use of its space without infringing on the ability of the surrounding exhibitors to maximize use of their space.

No portion of a machine, product or display piece may extend beyond the boundaries of the exhibitor's assigned exhibit space. All machinery and equipment must be set back at least 6 inches from all aisle ways for safety purposes. The only exception to this rule will be for tower cranes and fixed angle cranes with towers over 100 feet in height. Due to the nature of the booms, only these products will be allowed to extend beyond the exhibitor's assigned exhibit space with the following guidelines and limitations and in accordance with federal, state, and local Occupational Safety and Health Administration (OSHA) laws and regulations:

1. Only at the point of 100 feet in height or higher can the boom begin to extend out of the exhibit area.
2. At least 50% of the boom with a tower over 100 feet in height must be within the confines of the assigned exhibit space.
3. Exhibitors must submit a footprint of the machine extending beyond the exhibit area, including the boom height, length, and position to Show Management no later than November 3, 2025 at Operations@conexpoconagg.com.
4. Exhibitors must include a detailed plan for handling the machine in the event of high winds or other environmental factors that require the boom to free swing or be brought down.
5. Exhibitors in exhibit areas affected by the boom will be notified by Show Management of the boom extensions in their exhibit space.
6. Show Management reserves the right to limit an exhibitor from placing crane booms outside of the exhibit for safety reasons. Exhibitors shall not use lifting equipment to lift attendees or other individuals for demonstration purposes.

Manufacturers of tower cranes will be required to furnish OSHA with official site plans. Show Management will work with these manufacturers, OSHA and the Official Craning and Rigging Contractor to ensure that all proper information is sent to OSHA.

ANY DEMONSTRATION OR ACTIVITY THAT RESULTS IN EXCESSIVE OBSTRUCTION OF AISLES OR PREVENTS READY ACCESS TO A NEARBY EXHIBITOR'S SPACE SHALL BE SUSPENDED FOR ANY PERIOD SPECIFIED BY SHOW MANAGEMENT.

INFLATABLE OBJECTS

Show Management and the facilities must approve the use of balloons. Please send balloon plans by November 3, 2025. If exhibit space is located at the Las Vegas Convention Center, send balloon plans to Show Management at Operations@conexpoconagg.com and the LVCC at boothplans@lvccva.com for approval. If your exhibit space is located at the Las Vegas Festival Grounds, send balloon plans to Show Management at Operations@conexpoconagg.com.

INDOORS

Helium-filled balloons and other inflatable objects are permitted indoors, within the height restrictions of the exhibit space and within the confines of the assigned exhibit space. Balloons must be at least 36 inches in diameter and must be tethered. No helium balloons or blimps may be flown around the exhibit halls.

Helium gas cylinders for refilling must be secured in an upright position on safety stands with the regulators and gauges protected from damage. Overnight storage of helium or compressed air cylinders in the building is prohibited.

OUTDOORS

Helium-filled balloons and other inflatable objects are permitted in outdoor spaces. No hot air balloons will be permitted. Balloons must be at least 36 inches in diameter and must be tethered. Balloons at the Las Vegas Convention Center cannot be flown higher than the height of the building. Balloons cannot be used as a giveaway.

LANDSCAPING MATERIALS

Exhibitors are required to remove and dispose of all landscaping materials (including sand, stone, gravel, dirt, mulch, railroad ties, carpet, and exhibit materials) placed in their exhibit space. If an excessive amount is expected to be removed at the conclusion of the show, please contact the Official General Service Contractor for rates and arrangements. Exhibitors will be

charged for the removal and disposal of any materials left in the exhibit space at the close of the dismantling period.

LVCVA LOAD LIMITS

The floor load limit on the Central 3 Concourse is 175 pounds per square foot with maximum 1,500 pounds per wheel load. The floor load limit for South Hall, second level and Central Halls 3 and 4 are 300 pounds per square foot or 16,000 pounds per wheel load. All other exhibit areas are unlimited; however, any equipment 250,000 pounds or heavier must submit a detailed floor plan to the LVCC Building Engineering Department at 3150 Paradise Road, Las Vegas, NV 89109 or email to: boothplans@lvcva.com

HEAVY EQUIPMENT PROCEDURES

The LVCVA requires that a list of all heavy equipment be provided to the LVCVA engineering office prior to the start of installation. A site plan is required to show where each piece of heavy equipment will be placed.

1. Equipment with smooth tracks over 250,000 pounds must be moved on 1-inch steel plates both outside and inside the building at the exhibitor's expense.
2. All cleated equipment must be moved on either 1-inch plywood or steel plate as determined by the LVCVA engineering office. Equipment with cleated tracks over 250,000 pounds must be moved on 1-inch steel plates both outside and inside the building at the exhibitor's expense.

MOTION, NOISE & DUST CONTROL

MOTION & NOISE CONTROL

Loudspeakers of any kind must be directed toward the interior of the exhibitor's exhibit space. Speakers may not face aisles or other exhibitors' spaces.

Demonstrations found by Show Management to be objectionable due to noise or sound pressure/vibration level will be closed. Exhibitors shall be responsible for supervising the actions of employees, visitors or spectators testing display equipment located in their exhibit area. Exhibitors must make every effort to respond to neighboring exhibitors' complaints concerning noise, sound and/or vibration nuisances.

Show Management will intervene if necessary and reserves the right to shut down exhibits deemed objectionable. Floor managers in each Exhibition location will monitor the decibel level during Exhibition hours. Show Management recommends noise levels not to exceed 85 decibels. Measurements will be taken at a distance no greater than 10 feet from the offending display.

1. **First Warning** — The exhibitor shall be issued a written warning indicating a violation has occurred and instructing the exhibitor to immediately lower the noise level.
2. **Second Warning** — The source of the noise shall be shut off for a maximum of one hour.
3. **Third Warning Final** — The source of the noise shall be shut off for the remainder of the Exhibition. There will be no refund, in whole or in part, of any exhibit fees.

Exhibitors who plan to have entertainment acts, etc. must submit the In-Booth Event form available in the Exhibitor Services Manual. Exhibitors may be asked to coordinate or schedule their events with other exhibitors in the exhibit area to maintain an acceptable decibel level.

DUST CONTROL

Exhibitors who demonstrate equipment using aggregates, concrete or any type of material that generates dust or debris are required to take precautions to eliminate dust generation. In addition, exhibitors need to properly contain all materials (including dust prevention materials) within the assigned exhibit space.

OVERSIZE/OVERWEIGHT VEHICLES AND LOADS

The State of Nevada requires special truck permits to move exceptionally large or heavy loads on all roads throughout the state, including those into and out of the LVCC and Las Vegas Festival Grounds. Exhibitors may have logistical issues if bringing in equipment, vehicles, mobile buildings, etc. that are self-propelled, towed or trailered with dimensions wider than 8 foot 6 inches, taller than 14 feet, or longer than 70 feet have more than 10 feet of overhang; or weigh more than 80,000 pounds. These loads and other unregistered vehicles such as aircraft, heavy equipment, mobile/manufactured homes, and buildings will require special routing arrangements. Exhibitors are encouraged to contact a heavy transporter at least 90 days in advance of

any required movement. The transporter will coordinate with the appropriate authorities for state permits, city traffic, utilities, pilot escorts and law enforcement. For more information, contact Nevada Department of Transportation Over Dimensional Vehicle Permits Office at 800-552-2127 or visit [Over Dimensional Vehicles | Nevada Department of Transportation \(nv.gov\)](https://www.nv.gov/over-dimensional-vehicles) and the Official Service Contractor.

SIGNS ON EXHIBITS OR PRODUCTS

No company sign or advertising indoors shall be displayed on exhibits and/or products at a height that exceeds regulations for the exhibitor's space (see "Exhibit Design & Use of Exhibit Space"). The only exceptions to this are the exhibitor or customer's name, trademarks or logo that are permanently affixed to the equipment.

There are no size or height restrictions outdoors on signage. (Please also see section on "Sold/For Sale/Pricing Display signs on page 13.) Signs should be planned in good taste so as not to be offensive to visitors or other exhibitors, must not be hazardous and must be within the confines of the exhibit space.

SOUND DEVICES, MOVIES, SLIDES, VIDEOS & TV

Audiovisual presentations and closed-circuit exhibitor-generated materials are permitted within an exhibit space if they are not operating to the detriment of a neighboring exhibitor. Exhibitors should be aware that music played in their booths, whether live or recorded, may be subject to laws governing the use of copyrighted compositions. Authorized licensing organizations, including but not limited to ASCAP, BMI and SESAC, collect copyright fees on behalf of composers and publishers of music. It is the exhibitors' responsibility to be informed of copyright laws for the appropriate organizations.

Recording, filming, taping with handheld or tripod-mounted video equipment on the Exposition grounds during Exhibition hours is prohibited without the permission of both Show Management and the exhibitor or exhibitors being recorded, and these activities cannot interfere with exhibit operations or pedestrian traffic. Radio and television reporters and camera operators must obtain and wear official press credentials during their visits, and their activities cannot interfere with exhibit operations nor pedestrian traffic.

MUSIC LICENSES

Show Management secures the necessary music licenses with ASCAP and BMI on behalf of all exhibitors. Exhibitors are allowed to play live or recorded music in their exhibit space.

INTELLECTUAL PROPERTY

Exhibitors shall be responsible for securing any and all necessary licenses or consents for any patented inventions or other intellectual property in connection with their exhibit, housing, and hospitality facilities at the Exhibition. Show Management is authorized to record and use audio/visual materials recorded at CONEXPO-CON/AGG 2026.

SUBMISSION OF FLOOR PLANS FOR 1,000 SQUARE FEET OR LARGER

Exhibitors with exhibit space of 1,000 square feet or larger must submit a detailed floor plan to Show Management for approval no later than November 3, 2025, to operations@conexpoconagg.com. The floor plan **must** include the following:

- **Dimensions, height, and descriptions of all structures in the exhibit, including signs, offices, walls, drapes.**
- **Details of equipment displayed, including location within the exhibit space, height, weight, and length.**
- **Demonstration plans including details of equipment used, safety precautions planned, and timing of planned demonstration.**
- **Including staking, inflatable objects, machinery extensions, electric vehicles, drones, etc.**

All plans will be treated in strict confidence. All exhibitors will receive documented approval from Show Management of their floor plans. Companies that do not receive written approval should not assume approval has been granted. Exhibitors and EACs are required to comply with all exhibit space regulations when designing their company's exhibit. Show Management recognizes floor plan modification can happen during show planning; however, these modifications can impact neighboring exhibitors. Any modifications to the approved floor plan made prior to installation by the exhibitor or their appointed contractor must be resubmitted for approval. Any modifications to the approved floor plan made onsite during installation must be approved by Show Management prior to implementing the change. Modifications made without the consent of Show Management may be denied and any costs incurred are at the expense of the exhibitor.

Please send floor plans by November 3, 2025 to Show Management: operations@conexpoconagg.com

Exhibitors wishing to exhibit tower and/or luffing cranes are required to furnish Show Management with the footprint and the boom height, length, and angle. See Section *Exhibit Design and Use of Exhibit Space* for more rules on crane display on page 15.

All Exhibition rules pertaining to height and sign restrictions do not include the exhibitor's products. Exhibitors are warned not to depend upon measurements scaled from the Exhibition floor plan; if detailed measurements are required, contact Show Management. **Exhibitors are cautioned not to arrange for their exhibit construction until written approval of their dimensional sketch has been given by Show Management.**

TIRES

- All Tires must be displayed in a safe manner and in a way that that ties do not fall or roll.
- Tire display must be designed to prevent Attendee from entering inside the tire.
- Tires displayed in vertical-tired displays must be supported by professional built stands or cradles capable of supporting and sustaining the entire weight of the tire.
- Specifically built tire stands, ballasts or chocks engineered to the tire specifications are acceptable. Exhibitor is required to provide engineering documents if requested by the Fire Marshal.
- Tying off/rigging to the Convention Center ceiling for support is not permitted.
- Tires without safety precautions acceptable to Show Management must be laid flat (horizontal) or will not be permitted to be displayed in the booth.

BUILDING & OPERATING YOUR STAND – INDOOR EXHIBITS

CANOPIES & MULTILEVEL OR COVERED EXHIBITS

Canopies, false ceilings, and umbrellas will be permitted to a height that corresponds to the height regulation for the exhibit space. For example, canopies will not exceed 10 feet (3 meters) in height in a standard exhibit space configuration. Canopies, false ceilings, and umbrellas will not be used for identification or display purposes except as would normally be allowed for any exhibit component within the regulations set for the exhibit configuration. The LVCCA fire and safety regulations are included as an attachment to the Exhibition Rules & Regulations.

Definitions:

- **Multi-Level** – any occupied second story or greater, which is accessible by an approved means of egress.
- **Covered Area** – Any area that covers the exhibit space and prevents the building fire sprinkler system from discharging water unobstructed to the floor. This will include single-story exhibits with ceilings, upper-deck exhibits, roof, overhead lighting installations, and any materials hanging or installed overhead that are not recognized as acceptable for use under fire sprinkler systems by fire code.
- **Means of Egress** – An approved stairway or ramp constructed to the specifications of the code used for access and exiting.

LVCC Regulations:

1. Multi-level or covered contiguous areas in excess of 1,000 square feet are required to have a fire sprinkler system installed under the entire area and every level of the exhibit when the following conditions apply:
 - a. The exhibit is used if an event is seven calendar days or longer
 - b. The exhibit contains display vehicles
 - c. The exhibit contains open flame.
 - d. The exhibit contains hot work.
2. Any upper-deck area to be occupied must have an approved plan with an engineering stamp registered in the state of Nevada.
3. Multilevel areas that are greater than 300 square feet or will occupy more than nine persons will have at least two remote means of egress.
4. Means of egress should be of an approved type and constructed to the requirement of the code.
5. Spiral staircases are not allowed. Spiral stairways are not an approved means of egress.
6. Smoke alarms are required in all tents, membrane structures, and fully enclosed areas. Smoke alarms may be battery-operated and must be installed in accordance with NFPA 72 guidelines. It is the responsibility of the individual or organization setting up the tent, membrane structure, of fully enclosed area to ensure to ensure that the required smoke alarms are installed and properly maintained.

7. Smoking shall not be permitted in any tents, canopies, or temporary membrane structures.
8. Approved "NO SMOKING" signs must be conspicuously posted within these structures.
9. Any single-level exhibit over 1,000 square feet or exceeding 300 square feet of contiguous covered area and all multiple-level exhibits must submit a CAD formatted booth plan to boothplans@lvcva.com and operations@conexpoconagg.com.
10. Under certain circumstances, it may be necessary by the Safety and Fire Prevention Office to require a fire watch for an exhibit.

EXHIBIT HEIGHT AND HANGING SIGN REGULATIONS

STANDARD EXHIBITS

Standard exhibits are defined as exhibits with a depth of less than 20 feet regardless if they are in an inline or perimeter (open on one side to the aisle), corner (open on two sides to the aisle) or peninsula (open on three sides to the aisle) configuration.

Height

Exhibit materials, components and identification signs will be permitted to a maximum height of **10 feet (3 meters)**. **(There is no height limit for product and/or machinery. Please note ceiling height of the LVCC. Each exhibit area's height will be published in the Exhibitor Service Manual.)**

NOTE: Standard booths are furnished, at no charge, with 8-foot-high drape background and 3-foot-high drape side partitions. 10-foot drape can be purchased for an additional cost through the Exhibitor Service Manual. Drape provided for these booths is considered a "finished backwall".

- There is a 5-foot setback for exhibit materials taller than 4 feet for solid objects. (Items such as truss columns are generally accepted as they usually do not interfere with sight lines.)
- Exhibitors are required to have a plain finished back wall (standard drape is 8 feet high). Company identification and/or graphics are not allowed on the back wall facing the neighboring exhibitor.
- No signage may face into an adjoining exhibit within 3 feet of the neighboring exhibit.
- Hanging signs or hanging truss are NOT permitted in standard exhibits.
- All machinery must be set back 6 inches from all aisles for safety purposes.

CORNER EXHIBITS (WITH A DEPTH OF 20 FEET OR MORE)

Corner exhibits have two sides open to aisles, with a depth of 20 feet or more totaling 400 square feet or more. Show Management will provide pipe and drape between exhibit stands for corner exhibits with a depth of 20 feet or more.

Height

Exhibit materials, backwalls, components and identification signs will be permitted to a maximum height of **16 feet (4.88 meters)**. **(There is no height limit for product and/or machinery. Please note ceiling height of the LVCC. Each exhibit area's height will be published in the Exhibitor Service Manual.)**

- Exhibits can be arranged based on the cubic content concept. Cubic content indoor is defined as the ability to utilize the total contracted exhibit space within the 16-foot height restriction.
- If exhibitors chose to have a backwall, it must be a plain finished back wall facing into the neighboring space.
- Company identification and/or graphics are not allowed on the back wall facing the neighboring exhibitor.
- All machinery must be set back 6 inches from all aisles.

Hanging Signs

- Hanging signs and/or graphics will be permitted to be hung but there must be a minimum of a 4ft. gap between the highest wall and the bottom of hanging sign.
- Hanging signs and/or graphics must be hung 5 feet from neighboring exhibits on all sides.
- Exhibitors are fully responsible for all costs associated with rigging installation and dismantle of their hanging signs above their exhibits. All hanging sign assembly and rigging must be arranged through the General Service Contractor.
- Structural Integrity and Las Vegas Convention Center Rules — The maximum weight for hanging signs is 1,500 pounds. All hanging signs are subject to approval of the LVCC, and drawings must be reviewed and approved by the customer account manager at the LVCC and shall be sent to ConExpo-ConAGG_Rigging@freemanco.com by October 17, 2025. Exhibitors are encouraged to use lightweight materials in the construction of hanging signs to eliminate excessive stress to the facility ceiling structure.

PERIMETER EXHIBITS (WITH A DEPTH OF 20 FEET OR MORE)

Perimeter exhibits are located against a wall (one side open to the aisle) with a depth of 20 feet or more totaling 400 square feet or more. Show Management does not provide pipe and drape between exhibit stands for perimeter exhibits with a depth of 20 feet or more.

Height

Exhibit materials, backwalls, components and identification signs will be permitted to a maximum height of **16 feet (4.88 meters)**. **(There is no height limit for product and/or machinery. Please note ceiling height of the LVCC. Each exhibit area's height will be published in the Exhibitor Service Manual.)**

- Exhibits can be arranged based on the cubic content concept. Cubic content is defined as the ability to utilize the total contracted exhibit space within the 16-foot height restriction.
- All machinery must be set back 6 inches from all aisles.

Hanging Signs

- Hanging signs and/or graphics will be permitted to be hung but there must be a minimum of a 4ft. gap between the highest wall and the bottom of hanging sign.
- Hanging signs and/or graphics must be hung 5 feet from neighboring exhibits on all sides.
- Exhibitors are fully responsible for all costs associated with rigging installation and dismantle of their hanging signs above their exhibits. All hanging sign assembly and rigging must be arranged through the Exhibition's General Contractor.
- Structural Integrity and Las Vegas Convention Center Rules — The maximum weight for hanging signs is 1,500 pounds. All hanging signs are subject to approval of the LVCC, and drawings must be reviewed and approved by the customer account manager at the LVCC and shall be sent to ConExpo-ConAGG_Rigging@freemanco.com by October 17, 2025. Exhibitors are encouraged to use lightweight materials in the construction of hanging signs to eliminate excessive stress to the facility ceiling structure.

PENINSULA EXHIBITS (WITH A DEPTH OF 20 FEET OR MORE)

Peninsula exhibits are open on three sides to the aisle, with a depth of 20 feet or more totaling 400 square feet or more and share a common back wall with another exhibitor. Show Management will provide pipe and drape between exhibit stands for peninsula exhibits with a depth of 20 feet or more.

Height

Any indoor back wall or perimeter walls will need to be at a maximum height of **16 feet (4.88 meters)**. Exhibit materials, components and identification signs will be permitted to a maximum height of **16 feet (4.88 meters)**. **(There is no height limit for product and/or machinery. Please note ceiling height of the LVCC. Each exhibit area's height will be published in the Exhibitor Service Manual.)**

- Exhibits can be arranged based on the cubic content concept. Cubic content indoor is defined as the ability to utilize the total contracted exhibit space within the 16-foot height restriction.
- If exhibitors chose to have a backwall, it must be a plain finished back wall facing into the neighboring space.
- Company identification and/or graphics are not allowed on the back wall facing the neighboring exhibitor.
- All machinery must be set back 6 inches from all aisles.

Hanging Signs

- Hanging signs and/or graphics will be permitted to be hung but there must be a minimum of a 4ft. gap between the highest wall and the bottom of hanging sign.
- Hanging signs and/or graphics must be hung 5 feet from the back of the exhibit space to avoid encroaching on the

neighboring exhibitor.

- Exhibitors are fully responsible for all costs associated with rigging installation and dismantle of their hanging signs above their exhibits. All hanging sign assembly and rigging must be arranged through the Exhibition's General Contractor.
- Structural Integrity and Las Vegas Convention Center Rules — The maximum weight for hanging signs is 1,500 pounds. All hanging signs are subject to approval of the LVCC, and drawings must be reviewed and approved by the customer account manager at the LVCC and shall be sent to ConExpo-ConAGG_Rigging@freemanco.com by October 17, 2025. Exhibitors are encouraged to use lightweight materials in the construction of a hanging sign to eliminate excessive stress to the facility ceiling structure.

ISLAND EXHIBITS

Island exhibits are open on all sides to the aisle.

Height

Any indoor back wall or perimeter walls will need to be at a maximum height of **16 feet (4.88 meters)**. Exhibit materials, components and identification signs will be permitted to a maximum height of **16 feet (4.88 meters)**. **(There is no height limit for product and/or machinery. Please note ceiling height of the LVCC. Each exhibit area's height will be published in the Exhibitor Service Manual.)**

Exhibits can be arranged based on the cubic content concept. Cubic content is defined as the ability to utilize the total contracted exhibit space within the 16-foot height restriction.

Hanging Signs

- Hanging signs and/or graphics will be permitted to be hung but there must be a minimum of a 4ft. gap between the highest wall and the bottom of hanging sign.
- Hanging signs and/or graphics can be placed on the perimeter on all sides of the exhibit.
- Exhibitors are fully responsible for all costs associated with rigging installation and dismantle of their hanging signs above their exhibits. All hanging sign assembly and rigging must be arranged through the Exhibition's General Contractor.
- Structural Integrity and Las Vegas Convention Center Rules — The maximum weight for hanging signs is 1,500 pounds. All hanging signs are subject to approval of the LVCC, and drawings must be reviewed and approved by the Customer Account Manager at the LVCC and should be sent to ConExpo-ConAGG_Rigging@freemanco.com by October 17, 2025. Exhibitors are encouraged to use lightweight materials in the construction of a hanging sign to eliminate excessive stress to the facility ceiling structure.
- All machinery must be set back 6 inches from all aisles.

EXTRA LIGHTING

All special lighting must be indirect and completely shielded to eliminate glare and interference with other exhibitors and guests. The use of flashing or rotating lights will not be allowed. Products on display that have such lighting must be preapproved by Show Management. All lighting must follow LVCVA's halogen light policy. This policy is an attachment to these Rules & Regulations.

ILLUMINATION

Lighting is allowed using only electricity.

PIPE & DRAPE

Standard exhibit will be furnished with an 8-foot-high drape background and 3-foot-high drape partitions. In addition, corner, and peninsula spaces will be furnished with back drape. Island and perimeter spaces will not be provided drape.

PLATFORMS

Equipment and viewing platforms are not limited in height, but the platform may not exceed the height of the equipment.

TOWERS

A tower is considered a freestanding exhibit component separate from the main exhibit fixture that is used for identification and display purposes only.

- Towers' height and depth must correspond to the height regulations for the exhibit configuration. For example, towers that are part of a peninsula exhibit will not exceed 16 feet (4.88 meters) in height.

- All towers more than 12 feet (3.66 meters) must have drawings available for inspection by Show Management and the Official Contractor during the time the tower is being installed, exhibited and dismantled. The plans must include a signature or stamp of a reviewing structural engineer indicating that the structure is properly engineered for its proposed use. A signature of an authorized official of the exhibit building company indicating that the structure is built in compliance with the details and specifications set forth on the drawings must also be included.

BUILDING & OPERATING YOUR STAND – OUTDOOR EXHIBITS

BUILDINGS, MOBILE OFFICES, STRUCTURES, TENTS & CANOPIES

All exhibitors placing buildings, mobile offices or tents that will be anchored into the surface of the pavement must submit a detailed drawing with the exact placement of the structure to Show Management at operations@conexpoconagg.com and LVCC, if exhibit is located there, at riggingandsprinklers@lvccva.com for approval no later than November 3, 2025. Any Exhibitors in the Festival Grounds should submit detailed plans to conexpoconaggssupport@freeman.com. Exhibitors and their appointed contractors must adhere to the Clark County Fire Department Rules and Regulations. More information and permits are available on the Clark County website:

https://www.clarkcountynv.gov/government/departments/building_fire_prevention/plan_submittal/application_types.php#outer-4236sub-4240

Buildings, Mobile Offices, and Structures

All exhibitors placing buildings, mobile offices and/or tents supply Show Management with a drawing detailing the exact placement of the structure. Exhibitors will need to comply with the Clark County temporary structure rules and obtain a permit to construct a temporary structure in their stand. Per Clark County temporary structure rules:

- A **fire permit** is required for a temporary structure greater than 2,500 square feet and less than 7,500 square feet, that is constructed outdoors. Drawings prepared by a registered design professional and with a third-party inspection is required for the permit.
- A **building permit** is required for temporary structure constructed outdoors that meets any of the following:
 - Single story structures greater than 7,500 square feet.
 - Multi-level with occupancy on an elevated level or has an occupied level 45 feet or more.
 - Has occupancy over 1,000 persons.
 - Is connected to and receives structure support from an existing building.
- A permit is not required for single story temporary structures with an area of 2,500 square feet or less constructed outdoors.
- Permits should be obtained through the Clark County (Clark County website) at least 60 days before the start of CONEXPO-CON/AGG 2026.

Tents

All outdoor tents and or temporary structures must be installed by facility approved exhibitor appointed contractors and must submit and receive an approved staking plan before staking can occur. Staking plans should be submitted for exhibitors at the LVCC to staking@lvccva.com and to: conexpoconaggssupport@freeman.com for exhibitors located at the Festival Lot by November 3, 2025.

- All tents (a structure that is covered with a soft top and soft sides) greater than 400 square feet require a Clark County permit.
- They must also have a 2A40BC fire extinguisher that has a current Nevada state inspection tag.

Canopies

- All canopies (covered with a soft top but no sides) greater than 700 square feet require a Clark County permit. They must also have a 2A40BC fire extinguisher that has a current Nevada state inspection tag.
- At the LVCC, self-installed pop-up canopies require either weights or stakes must be lowered every evening at close of show and, depending on weather conditions, may need to be taken down; to be determined by facility on site.
- At the Las Vegas Festival Grounds (LVFG), self-installed pop-up canopies are not allowed.

Staking

- All staking needs to be drilled; no hand staking is permitted.
- Anchoring or staking into concrete is prohibited at the LVCC and LVFG.

- Trenching or digging is not allowed into the asphalt without the prior approval from the LVCC and LVFG.
- Final on-site staking approval must be obtained by the LVCC engineering department before any drilling or staking can occur.
- The asphalt and impacted areas must be returned to its original condition at the expense of the exhibitor. Details of LVCVA standards are in the LVCVA Building Manual.
- Not all locations within the LVFG can be staked due to know underground water, electrical and gas lines. If you are unsure if your space is in the allowable areas, please reach out to conexpoconaggsupport@freeman.com.

Truss Structures

All truss structures require plans to boothplans@lvcva.com for exhibitors at the LVCC and operations@conexpoconagg.com for exhibitors at the Festival Lot at least 90 days for the show opens. Plans must meet American National Standards Institute (ANSI) regulations E-1.21 and may require an engineer’s stamp of approval. The plans must include size, wind load and seismic load.

OPERATING EQUIPMENT IN OUTDOOR AREAS

Operating equipment must be confined to the space assigned to the exhibitor.

Companies demonstrating their equipment in action are permitted to build up the interior of the exhibit area with sand, gravel, stones, etc.; however, the material must be enclosed with railroad ties, concrete block walls, etc., to retain the material inside the exhibit space. For details, please see Landscaping Materials.

Any exhibit with “motion” must be adequately safeguarded. **Operation of lifting equipment to lift attendees or other individuals off the ground is prohibited. See Safety - Demonstration section for more information on demonstrations.**

Gasoline and diesel engines can be operated outdoors only and there is no restriction on the height of equipment being demonstrated if the exhibitor’s equipment remains inside the perimeter of their space, or in the case of tower and luffing cranes, the agreed upon designated area.

There are no utilities other than electrical (which you still have to purchase) in the outdoor exhibit areas. Exhibitors must arrange for utilities required at their own expense.

All other Rules & Regulations apply to outdoor operating exhibits.

LVCC

The pavement is an asphalt surface and the recommended load limit from LVCVA is 250 pounds per square foot. Any piece of equipment that is over 250 pounds per square foot should be trench plated and the Facilities Department at LVCVA must be notified prior to the installation of the equipment by email at boothplans@lvcva.com. The equipment cannot break into the surface unless written permission is received from LVCVA and Show Management.

Anchoring equipment into the surface of the pavement is permitted; however, approval from LVCVA is required and the area must be restored to its original condition at the expense of the exhibitor at the conclusion of the Exhibition. However, drilling and/or anchoring into the concrete portions of the lots is not permitted by LVCVA.

Las Vegas Festival Grounds

The pavement is an asphalt surface, and the recommended load limit is 250 pounds per square foot. Equipment with smooth tracks over 250,000 pounds must be moved on 1-inch steel plates at the exhibitor’s expense.

All cleated equipment must be moved on either 1-inch plywood or steel plate as determined by the LVFG and the General Service Contractor. Equipment with cleated tracks over 250,000 pounds must be moved on 1-inch steel plates at the exhibitor’s expense.

OUTDOOR EXHIBITS

All Rules & Regulations apply to outdoor exhibits except those pertaining to height restrictions of exhibit materials explained in Exhibit Design and Use of Exhibit Space. Exhibitors using outdoor space may install temporary shelters for protection from the elements. The exhibitor will pay all expenses associated with such shelter. However, to ensure that all the proper approvals, licenses and permits are obtained, Show Management will designate exclusive companies to provide outdoor canopies and/or tent structures to exhibitors. These companies will be the only companies allowed on the Exhibition floor to install and

dismantle canopies and/or tent structures. If any exhibitor does install a temporary structure, it must be totally within the confines of the allocated space. Outdoor exhibits shall be subject to the same Rules & Regulations as specified under Operating Equipment.

Mobile offices, recreational vehicles and mobile homes are permitted but cannot be moved from their assigned outdoor space during the Exhibition period or after the installation until the dismantling period.

Exhibitors renting or leasing trailers, recreational vehicles, temporary structures, or other such structures are prohibited from using the sanitary facilities associated with or a part of the structure or vehicle. Sanitary facilities will be provided by Show Management.

Security personnel, fencing and moderate lighting will be provided in the outdoor area, but the exhibiting company must determine its own security requirements and plan accordingly.

OUTDOOR SIGNAGE

All banner material used outside must be made of mesh material (a minimum of 30 percent pass through) or slatted to allow for air to flow through.

All digital boards that require staking and or need to be anchored into the surface of the pavement must submit a detailed drawing with the exact placement of the structure to Show Management at operations@conexpoconagg.com and LVCC if exhibit is located there at boothplans@lvcva.com for approval no later than November 3, 2025. Exhibitors and their appointed contractors must adhere to the Clark County Fire Department Rules and Regulations. These regulations are listed in the Building, Mobile Offices and Structures section on page 21.

ADMISSION TO EXHIBITS

REGISTRATION

Anyone attending the Exposition will be required to register, pay the appropriate registration badge fee, and agree to comply with the Exposition rules. Exhibitors will be required to register all exhibit staff for a show badge, including EACs, entertainment and anyone else who needs access to the show floor during show hours. Information regarding this process will be included in the Exhibitor Services Manual. We strongly recommend that all exhibiting personnel register online and in advance of the Exposition.

CANCELLATION, SUBSTITUTION & REFUND

Completed and paid registration and/or education fees are non-refundable. Name substitutions are allowed on or before February 17, 2026, at no additional cost. As a courtesy, exhibitors can pre-purchase badges at the early rate during the early bird pricing period and assign names on or before February 17, 2026. Any unused badges and/or education sessions purchased are non-refundable.

ADMISSION TO THE EXHIBITION

Admission to the Exhibition floor will be by badge only. Adequate precautions will be taken to ensure that only authorized people are admitted to the exhibit area.

PRE- & POST-SHOW-HOUR FUNCTIONS

Attendee registration badges will not provide access to the exhibit areas during non-Exhibition hours. Exhibitors who want dealers or customers in their exhibit space before or after Exhibition hours must receive advanced written permission from Show Management. Permission will be valid for the time period of only two hours prior to the opening of the Exhibition and two hours after the closing of the Exhibition. See In-Booth Events for more information.

EXHIBITOR ADMITTANCE DURING NON-EXHIBITION HOURS

EXHIBITION INSTALLATION & DISMANTLING

Exhibitor staff are allowed to enter the exhibit area during installation and dismantling periods only if they are part of the crew assembling the exhibit space and are identified with an official Install & Dismantle wristband obtained from Exhibition Management. Show Management will take immediate and firm steps to remove anyone from the exhibit floor who is not entitled to be there. This action will be particularly prompt in the case of children under the age of 18 who are brought into the Exposition during non-Exposition hours. Spouses, guests, and all labor personnel who are employees in the business and are at the Exposition

to assist in installation or dismantling must receive an official Install & Dismantle wristband. Spouses, guests, and all labor personnel who are employees in the business and are at the Exposition to work the exhibit space must also register and pay for an Exhibitor badge by the primary exhibitor contact.

EXHIBITOR APPOINTED CONTRACTORS (EAC) INSTALLATION & DISMANTLING CREDENTIALS

EACs who need access to exhibits during the installation or dismantling periods on non-Exhibition days need an official Install & Dismantle wristband for admittance. This will assist in maintaining security and keeping unwarranted personnel out of the exhibit halls. No one will be admitted to the exhibit areas without an official installation & dismantle wristband or exhibitor show badge during non-Exhibition days.

Show Management will have a list of all approved exhibitors and EACs. Proof of identification and company affiliation will be required to pick-up an official installation and/or dismantling wristbands. Official exhibitor show badges can be used in lieu of a pass for entrance to the exhibit areas. See Exhibitor Appointed Contractors section for more information.

CHILDREN

Under no circumstances will children under 18 years of age be permitted onsite during the installation and dismantling periods. During Exhibition hours, children under 18 will be allowed in the Exhibition only under the supervision of an adult who is registered to attend. All children must be registered to attend and wear a badge for identification and emergency purposes.

NON-EXHIBITING VENDOR REGISTRATION

CONEXPO-CON/AGG has a non-exhibiting vendor (NEV) policy for the show.

Companies who are providers of products and services to the construction industry (business development, sales and marketing; representation of a manufacturer or service provider, and/or utility, construction or utility and construction products and services) that are interested in attending CONEXPO-CON/AGG but not as an exhibitor may be considered a Non-Exhibiting Vendor (NEV). Show management is at liberty to review any registration record and update the status of that record to a NEV if it is determined that they were miscategorized during the registration process. If this occurs, the paid registration fee is non-refundable and before a badge can be printed for access to the show floor, the additional balance for the NEV registration fee must be paid in full.

The policy is as follows:

- NEVs are not permitted to participate in any selling activities on the show floor, during show hours.
- NEVs are permitted to attend all Official show days.
- No merchandise, literature, giveaways or roller bags are permitted on the show floor during show hours.

PHOTOGRAPHS & VIDEOS

Any exhibitor can prohibit the taking of photographs within their exhibit either completely or selectively. Attendees will not be allowed to take photos and/or videos during the installation or dismantling periods without permission from the exhibitor. Attendees will be allowed to take photographs from the aisle during hours of the Exhibition.

SAFETY & SECURITY

SECURITY

Every reasonable precaution will be taken to protect property during the installation, Exhibition, and dismantling periods. However, neither Show Management, service contractors nor LVCVA and LVFG are responsible for the safety of the property of exhibitors from theft, damage by fire, accident, vandalism, or other causes. Show Management recommends that exhibitors make special arrangements with the Official Security Contractor of CONEXPO-CON/AGG 2026 for additional protection of their exhibit spaces.

SAFETY & DEMONSTRATIONS

When conducting demonstrations or presentations, all activity and viewers must be contained within the booth space.

Exhibitors need to accommodate for space for spectators to view demonstrations safely within the confines of the contracted exhibit space.

Companies demonstrating their equipment in action are permitted to build up the interior of the exhibit area with sand, gravel, stones, etc.; however, the material must be enclosed with railroad ties, concrete block walls, etc., to retain the material inside the exhibit space.

The area must be protected by safety guards and devices where necessary to prevent accidents and injury to spectators.

It is the responsibility of the exhibitor to put in place safety measures within the assigned exhibit space for demonstrations that create any type of debris or dust.

Demonstration plans should include details of equipment used, safety precautions taken, and timing in addition to the exhibit floorplans due to Show Management no later than November 3, 2025 to operations@conexpoconagg.com for approval.

MOTORIZED CARTS & VEHICLES

Only approved motorized handicapped vehicles will be allowed on the grounds during Exhibition days. There will be a location at the LVCC and/or LVFG to rent these vehicles.

FLAMMABLE MATERIALS

Fuel and diesel fuel tanks on mobile equipment located indoors do not need to be drained but shall be sealed with a locking cap or taped shut when the machine is positioned. Fuel-tank openings shall be locked or sealed in an approved manner to prevent escape of vapors. Fuel tanks shall not contain more than one-quarter their capacity or more than five gallons of fuel, whichever is less. At least one battery cable shall be removed from the batteries used to start the vehicle’s engine, and the disconnected battery cable shall then be taped. Auxiliary batteries not connected to engine’s starting system may be left connected. The storage or use of any flammable liquids or gases in a public assembly building must be approved by the Facility Department of the LVCVA prior to the Exhibition.

No flammable materials of any nature, including decorative material, may be used in any exhibit space. In accordance with federal, state and local fire regulations any fabric used in an exhibit space shall be flameproof.

ELECTRIC VEHICLES

- Electric Vehicles and electric vehicle batteries are not allowed to be charged indoors.
- Electric and hybrid vehicles shall have their operating batteries disconnected whenever possible.
- Any Electric Vehicles brought into the building must have prior approval. Specifications of the battery and vehicle must be submitted to the Safety and Fire Prevention Office at boothplans@lvcva.com and operations@conexpoconagg.com No Later than November 3, 2025.
- Complete and submit the Electric Vehicle Form – [Electric Vehicle Form](#).
- All EV charging must be done outside in a designated safe area that has been approved by Fire Prevention and Safety in coordination with Show Management.

PROMOTING YOUR EXHIBIT ONSITE

FOOD & BEVERAGE SERVICE

Food and beverage service is exclusive to each venue. Centerplate/Sodexo has exclusive rights pertaining to all food and beverage at the LVCC facility and ARAMARK has exclusive rights pertaining to the Las Vegas Festival Grounds. Food and beverage consumed, prepared and/or distributed must be purchased through the exclusive vendors mentioned above. This includes but not limited to:

- Food or beverage items used for promotional purposes such as handouts or samples.
- Exhibitor branded food trucks, food products, or preferred vendors.

All food and beverage are subject to regulations and licensing/permitting requirements of the Clark County Nevada Health District and the individual entity requirements of the LVCC, Centerplate/Sodexo, ARAMARK, and Las Vegas Festival Grounds.

Alcoholic beverages and food may be served by exhibitors during show hours provided that:

- The alcohol or food served is within the boundaries of the exhibitors rented space.
- The service complies with the current vendor licensing requirements for service of alcohol, including limits on amount of alcohol that can be served by exhibitor.

LITERATURE DISTRIBUTION

Circulars, catalogs, magazines, folders, and other items may be distributed only in an exhibitor's space and must be related strictly to the products and/or services on display or eligible for display (see Eligible Equipment on page 4) and that are directly available from the exhibitor.

Distribution from exhibit to exhibit or in the aisles is forbidden, and exhibitors must confine their exhibit activities to the space for which they have contracted.

Canvassing on any part of the LVCC or Las Vegas Festival Grounds property is strictly prohibited. Any person doing so will be requested to leave the premises, and their material will be removed at the same time. The only exception to this rule is survey organizations that have obtained Show Management approval.

LOTTERIES & CONTESTS

Drawings and contests, if permitted by law, are allowed in exhibitor's spaces. Exhibitors considering a raffle, drawing, giveaway, game of chance, the use of slot machines or the like in their exhibit space are encouraged to contact the Nevada Gaming Control Board at 702-486-2000 to confirm that the activity is lawful.

PRESS CONFERENCES

Any exhibitor holding a press conference must notify Show Management via application form located in the Exhibitor Services Manual. Exhibitors must apply and pay for the meeting room space, make arrangements for the media function and obtain authorization for the event through Show Management. Every effort will be made to accommodate requests, and requests are on a first- come, first-served basis.

Press conferences, briefings or other events involving invitations to accredited media can be held in exhibit spaces or in Show Management-designated meeting rooms. Please note, exhibitors cannot bring equipment to their press conference events held in a meeting room.

Events involving an invitation to accredited media must be sponsored and administered by exhibitors, which shall accept responsibility for adherence to the official Exhibition Rules & Regulations. No press conferences will be allowed during Exhibition hours outside of this designated area, including hotel, restaurant or proving ground areas.

There will be no CONEXPO-CON/AGG-Sponsored Press Rooms during regular show days in 2026. Exhibitors wishing to have a press event during Media Monday or during the two new events in 2026, Media Speed Networking or the Virtual Press Events, should reach out to the CONEXPO-CON/AGG PR Director at ShowMediaServices@aem.org for information.

PRIZES & GIVEAWAYS

Distribution of giveaways or lawful drawing for prizes is permitted in the exhibit area during the Exhibition. Food or beverages (including bottled water) to be distributed by an exhibitor must be ordered through Centerplate/Sodexo at the LVCC and ARAMARK at Las Vegas Festival Grounds. Exhibitors are responsible for any federal, state, and local taxes.

PROMOTIONAL ITEMS

Promotional items directly related to the exhibitor's business and products (company hats, T-shirts, scale models, etc.) may be sold at the Exhibition. Food or beverages (including bottled water) to be distributed by an exhibitor must be ordered through Centerplate/Sodexo at the LVCC and ARAMARK at Las Vegas Festival Grounds. This is considered a method of promoting interest in the exhibitor's equipment and/or services, similar to the distribution of sales literature, technical information, etc. The exhibitor is responsible for collecting and paying any federal, state, and local taxes.

USE OF CONEXPO-CON/AGG 2026 LOGO

The exhibitor acknowledges that the CONEXPO-CON/AGG name and the CONEXPO-CON/AGG 2026 Exhibition logo are trademarks owned by AEM, NRMCA and NSSGA. Appropriate use of the Exhibition name and logo is permitted by companies exhibiting in the

2026 Exhibition who wish to publicize the Exhibition and/or the fact that the exhibitor is participating in the Exhibition. Any reproduction of the Exhibition logo shall include a disclosure of the trademark owners.

Exhibitors may request permission from Show Management to use the CONEXPO-CON/AGG name and Exhibition logo on commemorative items to be given away by the exhibitor. Any request shall be made in writing to Show Management, describing the proposed use, the type of items on which the name and logo would be placed and a statement that such items would not be sold. Show Management reserves the right to deny any request. Requests can be sent to operations@conexpoconagg.com.

MEETING/FUNCTION SPACE

UTILIZATION OF MEETING/FUNCTION SPACE

CONEXPO-CON/AGG allocates a limited number of meeting rooms at the LVCC and adjacent hotels for meetings, offices, storage, hospitality and entertainment. Only exhibitors, sponsors, supporting organizations and official co-located groups may reserve meeting space. Due to continual changes to the overall floor plan show over show, space is on a first-come, first-served basis and does have fees assigned to rental. Show Management will make every effort to accommodate meeting request of specific rooms and/or sizes but that is subject to available inventory and Show Management service needs. All meeting rooms must be paid in full before space is guaranteed and are only for the dates and times requested inclusive of set-up needs. For a full listing of fees, inclusions, and restrictions please visit the Exhibitor Service Manual or <https://www.conexpoconagg.com/>.

Meeting space can be used for social functions, hospitality suites, promotional events, client meetings, staff offices, booth training meetings, and other networking events.

Meeting space cannot be subleased once rented from Show Management or used to display, in any format, equipment products. Due to weight limits and safety concerns, all equipment is to be displayed only in the official exhibit areas that are designed with higher load-bearing limits. Show Management reserves the right to prohibit such displays in meeting rooms.

Fees include the usage of the room during specified times, stock tables and chairs for standard room sets (U-shape, classroom style, banquet rounds or conference style). Groups are responsible for all fees and service charges associated with the meeting room during their rental, including room set fees, electrical, patch fees, catering, AV, special staging, special furniture, etc. Nothing can be affixed to meeting room walls or doors without written approval of the facility.

ENTERTAINMENT RULES

Exhibitors are not allowed to utilize hospitality suites outside or hold hospitality functions outside their rented exhibit space during exposition hours. Hospitality suites are not to be utilized for the exhibition, display and/or sale of goods, products, wares or services and/or for any other commercial activity other than networking.

FIELD TRIPS

No event or field trips organized by exhibitors or their manufacturers, service providers, dealers or distributors are allowed to that take registered show attendees to plants, facilities, or equipment installations or other places or events involving the display of the exhibitors' equipment or services during the official exhibition hours.

PRE-SHOW FUNCTIONS IN EXHIBIT SPACES

Pre-show functions (either in exhibit spaces or meeting rooms) can begin at 7:00 a.m. on all show days.

1. Exhibitors are required to submit the In-Booth Event form to Show Management by January 31, 2026 that provides the details of the event being held before the show opening. This form will be located in the Exhibitor Services Manual.
2. Once the request is submitted, Show Management will follow up with a confirmation to the exhibitor.
3. For exhibit space functions, exhibitors are required to staff their space with one or more security guards (depends on size of the space) to ensure that attendees stay within the confines of the exhibitor's space. The fire-watch guards can also serve as the security guards.
4. Exhibitors or groups wishing to hold meetings on pre-show days (i.e., Monday) will require approval by Show Management because of safety concerns during installation of the show. Requests should be submitted by email to: operations@conexpoconagg.com.

POST-SHOW FUNCTIONS IN EXHIBIT SPACES

Post-show functions may begin at 5:00 p.m. Tuesday through Friday (events cannot be held on the show floor on Saturday due to the dismantling period) and must conclude by 8:00 p.m.

1. Exhibitors or groups are required to submit the In-Booth Event form to Show Management by January 31, 2026 that provides the details of the event planned before the show opening. This form will be in the Exhibitor Services Manual.
2. Once the request is submitted, Show Management will follow up with a confirmation to the exhibitor.
3. For exhibit space functions, exhibitors are required to staff their space with one or more security guards (depends on size of the space) to ensure that attendees stay within the confines of the exhibitor's space. The fire-watch guards can also serve as the security guards.
4. Events in meeting rooms on Saturday will require approval by Show Management because of safety concerns during the dismantling of show.

AGREEMENTS & ENFORCEMENT OF RULES & REGULATIONS

CLOSING EXHIBIT SPACES EARLY

Any exhibitor who begins to dismantle or pack part of their exhibit before the close of the Exhibition will lose their priority number in the next Exhibition and be charged a \$10 per square foot penalty. The charge will be based on the exhibitor's total exhibit size (example: 100-square-foot exhibit X \$10 = \$1,000 penalty).

CERTIFICATE OF INSURANCE REQUIREMENTS FOR EXHIBITORS

To ensure that every exhibitor is compliant with our show rules and regulations, we are now including the purchase of general liability insurance with your booth space application. Rainprotection is our insurance partner for the 2026 CONEXPO-CON/AGG show. Benefits and inclusions:

- The Policy will be priced at \$69 for indoor locations and \$89 for outdoor locations and will cover up to 18 consecutive days (February 22-March 11, 2026) for indoor and 56 days (January 24-March 20, 2026) for outdoor.
- The cost for each booth of the exhibiting company is \$69 for indoor and \$89 for outdoor locations.
- Every policy is 100% compliant. (Naming all the Additional Insureds and minimums)
- Policy has no deductible to pay.
- Each exhibitor will be covered with \$1 million per occurrence and \$2 million aggregate.
- **Questions? EMAIL: sales@rainprotection.net**

Exhibitors must carry the following minimum coverage:

1. The workers' compensation and employers' liability insurance must provide a minimum limit of \$500,000 and meet the requirements established by the state in which the show is being held.
2. Automobile liability shall include all owned, non-owned and hired vehicles with limits of \$500,000 bodily injury and \$500,000 property damage liability.

AGREEMENT TO RULES & REGULATIONS

The exhibitor agrees that the exhibiting company and its employees and agents will abide by these rules and by any amendments that may be put into effect by Show Management, provided that such amendments shall not substantially diminish rights or increase the liability of an exhibitor (and written notice is given to exhibitors). The rules may be amended by Show Management as necessary to comply with applicable laws, regulations, accounting rules and pronouncements. The Exhibit Space Application form must be signed by an official of the exhibiting company indicating that these rules have been read and agreed to before any space assignment will be made.

Show Management RESERVES THE RIGHT TO RESTRICT ACTIVITIES, RESTRICT AND/OR CLOSE EXHIBITS THAT, IN THE OPINION OF Show Management, BECOME OBJECTIONABLE.

This includes people, things, conduct, printed matter, or anything of a character that is deemed not to be in the best interests of all exhibitors or Show Management. An exhibitor's space shall not be used to publicize meetings to be held outside the Exhibition that will detract from Exhibition attendance. All matters and questions not covered by these Rules & Regulations and all interpretations of these Rules & Regulations are subject to final decision by Show Management. Any questions should be addressed to Show Management.

ENFORCEMENT OF EXHIBITION RULES & REGULATIONS

Reasons for Enforcement — The primary reasons for the enforcement of Exhibition rules are to: (1.) protect the integrity of CONEXPO-CON/AGG 2026, its participants, sponsors and Show Management; (2.) ensure compliance with the laws, codes, ordinances and contracts of the exhibit facility, municipality and the state in which the Exhibition is held; and (3.) ensure that all exhibitors are treated fairly.

PREVENTION OF VIOLATIONS

(Pre-Exhibition Planning) — To prevent violations by exhibitors, Show Management will:

1. Send special alert communications to exhibitor representatives to make them aware of the intent of important Exhibition Rules & Regulations.
2. Establish and publish a clear procedure for handling Exhibition violations and the penalties to be implemented by Show Management to deal with violators.

PROCEDURES FOR IDENTIFYING AND HANDLING VIOLATIONS

Exhibition Installation, Exhibition Days and Dismantling:

1. An exhibitor should contact Show Management if there are any questions concerning the procedures for identifying and handling violations of the Exhibition Rules & Regulations.
2. Show Management and floor managers under the supervision of Show Management will routinely inspect the exhibit floor during Exhibition installation, Exhibition days and dismantling. Their duty will be to assist in the interpretation and enforcement of the rules. The Event Services Committee and the Management Committee will have the final decision concerning all Exhibition Rules & Regulations.
3. Upon discovery of a violation of the Exhibition Rules in an exhibit, Show Management or the floor manager will issue a written notice to the exhibitor representatives in the exhibit and explain the nature of the violation.
4. The written notice will explain that the violation must be corrected: (a) immediately, if the violation poses a safety hazard, (b) by 6 p.m. on the day of March 2nd 2026, if the violation occurs during Exhibition installation; or (c) before the opening of the next Exhibition day, if the violation occurs during Exhibition days. (If the exhibit in violation is unoccupied, Show Management will alert the representatives of the exhibit.)
5. Violations involving ineligible equipment or exhibitors must be corrected IMMEDIATELY during Exhibition days and are subject to the penalties listed below.
6. An exhibitor receiving a written notice of a violation will have its exhibit re-inspected by floor managers at the time specified on the written notice.
7. If the inspection reveals that the violation has not been corrected or if the same violation is found at any time after the first violation, a second notice will be given, and the procedure noted above for the first violation will be repeated.
8. Failure to correct a violation immediately in the case of ineligible equipment, (item 5 listed above) or after the second notice in the case of other violations, or a third occurrence of the same violation, will result in a penalty being administered by Show Management in accordance with the Exhibition Rules & Regulations listed below.
9. An exhibitor wishing to appeal a written notice must do so by contacting Show Management within the time allowed on the written notice to correct the violation.

PENALTIES FOR VIOLATION OF EXHIBITION RULES & REGULATIONS

Show Management reserves the right to penalize an exhibitor for an uncorrected violation in the Exhibition Rules & Regulations. Violations during the installation period or Exhibition days will result in one or more of the following:

1. Draping off or covering the item in violation for a period specified by Show Management at the exhibitor's expense.
2. Immediate removal or draping off the entire exhibit at the exhibitor's expense.
3. Removal of the item in violation at the exhibitor's expense.
4. Loss of priority status for future CONEXPO-CON/AGG events.
5. Other sanctions deemed appropriate by Show Management.

THE EXHIBITOR AGREES...

1. The Exhibitor shall make no claim for any reason whatsoever against either the LVCVA, Las Vegas Festival Grounds or Show Management for loss or damage or for injury to himself or his employees while in or about the LVCC or the Las Vegas Festival Grounds for loss or damage by reason of failure to hold the Exhibition as scheduled, reduction of Exhibition hours or days, failure to provide exhibit space, removal or closure of the exhibit or any other act of Show Management. This includes but is not limited to any indirect, incidental, consequential, punitive, or special damages,

lost profits, lost savings, loss of goodwill or otherwise arising out of or relating to the Exhibition or any act or omission of Show Management, LVCVA or Las Vegas Festival Grounds.

2. Exhibitor shall bear their own risks of loss or damage to property and injury.
3. The Exhibitor shall make no claim against Show Management for any reason for the acts or omissions of any contractor or for charges or billings (including overtime charges) for services rendered to the Exhibitor by any contractor, or due to any change to the targeted move-in or move-out time for the exhibit, or any delays in move-in or move-out of the exhibit.
4. Show Management shall not be liable for any delay, failure in performance, loss or damage due to: fire, explosion, power blackout, earthquake, flood, the elements, strike, embargo, labor disputes, acts of civil or military authority, war, acts of God, acts of terrorism, epidemic/pandemic illness or outbreak, public health warnings, government orders and regulations, acts or omissions of carriers or suppliers, curtailment or delay in transportation facilities, acts of regulatory or governmental agencies, or other cause or occurrence beyond its reasonable control, whether or not similar to the foregoing.
5. That Exhibitor shall:
 - A. insure against said risks of loss or damage to property and injury and secure and furnish Show Management with each insurer's covenant not to exercise any legal or equitable right it may have against Show Management or the LVCVA or the Las Vegas Festival Grounds and provide Show Management with a Certificate of Insurance evidencing such coverage with Show Management, the Exhibition Sponsors (AEM, NRMCA and NSSGA), the LVCVA and Las Vegas Festival Grounds, Freeman and Edlen named as insureds.
 - B. if failing to insure against all such risks or failing to secure and furnish each insurer's covenant not to sue, the exhibitor shall indemnify and hold harmless Exhibition and the LVCVA and Las Vegas Festival Grounds from any and all loss or damage to property and injury aforesaid.
 - C. follow the LVCVA Building User's Manual rules and all other applicable laws, ordinances, codes and regulations as applicable to the exhibit space. Pertinent information from this manual will be distributed within the Exhibitor Services Manual.
6. Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend and save Show Management, the LVCC, the Las Vegas Festival Grounds, the LVCVA and their employees and agents, harmless against all claims, liability, losses or damages to persons or property, governmental charges or fines and attorney's fees arising out of or caused by exhibitor's installation, removal, maintenance, occupancy or use of the Exhibition premises or a part thereof, excluding any such liability caused by the sole negligence of the indemnitee.
7. The Exhibitor agrees that the preceding paragraphs shall also apply to any exhibit space at locations other than the LVCC.
8. As used in the preceding paragraphs 1 through 7, references to Show Management shall also include the Exhibition Sponsors.
